Value: Priceless

620 Lunch with WSB-TV Anchor John Pruitt

Dine with a news legend and certifiably green leader in American news media. Your lunch will be prepared by Sally Sears.

Value: Priceless

Services:

701 One-hour guitar lesson with A. Wayne Richardson

Wayne studied with Sophocles Pappas, a friend and colleague of Andres Segovia, and plays the same type of Spanish guitar in concert as did Mr. Segovia. Wayne teaches and performs in the southeast. A classical guitar for your lesson can be provided if you don't own a guitar. With this lesson, you can see if you have interest or aptitude for guitar, learn some new classical or rock licks or add to your repertoire of chords.

Value: \$75

702 Garden Services/Consultation

If you're the winning bidder, you'll receive three hours of garden work from three local gardening experts, including a Georgia Master Gardener and the Maintenance Director of OLPA and friends. A team of four will perform garden tasks of your choice. This service must be used by November 1, 2010.

Value: \$400

703 Dinner's Ready Personal Chef Services

Tired of shopping and cooking? Let Amy Stankus, USPCA, buy wholesome groceries such as grass-fed beef and organic fruits and vegetables, come to your home and cook. You'll receive eight meals for you and your family to enjoy at your convenience. Amy will prepare the meals, package them, attach labels and re-heating instructions and leave you with a clean kitchen! This service must be used between May 3 - June 25, 2010, and your home must be within three miles of Fernbank Museum.

Value: \$200

704 Two Hours of Architectural Consulting

If you're considering a home renovation, addition, or want some suggestions on an energy-efficient upgrade, let Roman L. Stankus, AIA, LEED, AP, of Fernbank Design group help you with his over 30 years of architectural expertise. Stankus is experienced in both commercial and residential design, whether historic or contemporary. Your two-hour consult must be used by June 30, 2010, and be located inside I-285.

Value: \$270

705 Energy Assessment of Your Home

Go Green! Have an energy efficiency assessment completed for your home by Urban Eco Construction. All services/options suggested by the assessment will be priced at a discount rate. Urban Eco Construction is here to help you achieve healthy, green solutions for your home or business as well as all of your construction and maintenance needs.

Value: \$250
